

1. go to onedrive path 'OneDrive - welink.com.au\02 Live Commercial Projects\ACCOUNTS\Pending Commercial invoices'
2. look for invoices that's not categorised
3. check the invoices, highlight date/due date/job reference/PO reference (if available) then categorise to their relevant job folder named '00. XXXX (job name)'.
4. change the name of invoice:
 1. add subcontractor name in front of the original invoice name
5. make sure the invoices due date are at the 30th/31st of the next month (30day EOM payment terms), if not / if invoice is due immediately, notify Amy and send email to subcontractor to confirm their due date.
